Ämne: Artist Gun Mattsson Selected "The new heirs of Rembrandt - historical paths of the Figurative Art"

Dear **Artist**,

After having evaluated with great attention your work, I would like to propose you an editorial initiative that can not be missed: "**The new heirs of Rembrandt - historical paths of the Figurative Art**".

In this special edition, inside the May-June issue of Effetto Arte, will be selected the *new heirs* of *Rembrandt* and other Figurative artists, that now belong to the world's most important museums.

A particular cognitive process within art.

The history and the works of great masters of the informal art: **Rembrandt, Sandro Botticelli, Claude Monet, Leonardo da Vinci, Caravaggio, Vincent Van Gogh, Francisco Goya e Renoir**

# The new heirs of Rembrandt

Harmenszoon van Rijn

Historical paths of the Figurative Art

curated by Salvatore Russo

## A PARTICULAR COGNITIVE PROCESS WITHIN ART.

The history and the works of great masters of the figurative art:  
**Rembrandt, Sandro Botticelli, Claude Monet, Leonardo da Vinci, Caravaggio, Vincent Van Gogh, Francisco Goya e Renoir.**

On the pages of Effetto Arte will find space near to the great historicized masters the works of selected contemporary artists that follow this school style.

The journalistic service, curated by Salvatore Russo, aims to illustrate the most significant pictorial realities, analyzing the thoughts of his own soul, and the brilliant elaborations of mind.

The service "The new heirs of Rembrandt" will be published in the May/June issue of the bimonthly magazine **EFFETTO ARTE.**
